

OXXA®

X-Grip-Lite 51-025

comfort grip

Characteristics

- glove with excellent tactile sensitivity through the thin (15 gauge), light and smooth nylon lining that perfectly matches the hand
- the latex foam coated palm and the crinkle finish gives the X-grip-Lite an excellent grip in both dry and wet working conditions
- fluorescent yellow colour makes the glove highly visible
- ventilated back provides cooling of the hands in warm conditions
- anatomical shape provides a better grip: maximum comfort, even during extended use
- excellent wear resistance
- packed per pair in convenient retail packaging
- colour: fluorescent yellow/black

Applications

- agriculture
- construction, concrete and masonry industry
- automotive and tire distribution
- industry
- public maintenance
- transportation, logistics and packaging work
- baggage handling
