

OXXA®

X-Grip-Thermo 51-850

c o l d p r o t e c t i o n

Characteristics

- the X-Grip-Thermo with its seamless knitted acrylic liner is ideal for work in cold environments
- the brushed liner is soft and comfortable and keeps your hands warm
- knit wrist for a perfect fit
- very good ventilation at the back of the hand to reduce perspiration
- fluorescent orange colour makes the X-Grip-Thermo highly visible
- highly flexible glove that can protect against temperatures down to -20°C
- latex foam coated palm, enabling the X-Grip-Thermo to have an excellent grip, even in the presence of liquids, oils and/or fats
- excellent grip in both dry and wet conditions
- colour: grey/orange

Applications

- construction, scaffolding
- public maintenance
- refrigeration and cooling plants
- transportation
- recycling
- road construction
- offshore
- forestry and agriculture
