

OXXA®

X-Grip 51-000

Characteristics

- the X-Grip is a glove with a latex coating on a polyester-cotton liner, which makes the X-Grip very durable with a good shock absorption and cut resistance
- anatomical glove shape provides a better grip
- high user comfort for long use
- very good ventilation at the back of the hand to reduce perspiration
- the crinkle finish gives the X-Grip an excellent grip in both dry and wet working conditions
- excellent wear resistance
- packed per pair in convenient retail packaging
- colour: green/yellow

Application areas

- forestry and agriculture
- construction, concrete and masonry industry
- industry
- waste sorting and recycling
- public maintenance
- transportation, logistics and packaging work
